USW Union Update for Renzenberger/Hallcon Drivers

August 4, 2019

PTI Appeals Judges Decision on 2016 Wage Case

On Friday we received notice that PTI had appealed the Federal Court decision that upheld the Arbitrators decision awarding backpay to drivers for the 2016 wages that the company did not pay.

This newest appeal requires the company to post a bond while it is in the appeal stage.

This is not unexpected. This company is stalling off the inevitable. UPSEU will be meeting with the company this week and we will know more about its intentions.

Drivers and the union have options in this situation. We have and will continue to address the company's actions in a way that best serves our drivers long term interests.

Stay tuned, stay united, and build power through solidarity,

Ike
